Pursuant to Regulation 25 and Regulation 46 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

The Bank conducts and organises various programmes & interventions to enable Independent Directors to gain a comprehensive understanding of the Bank's business, operations, industry environment, business model, and their roles, rights, and responsibilities. Newly inducted Directors are provided with structured orientation sessions with the Management Team, including business heads, to familiarise them with the Bank's products and services, functional areas, departments, IT systems and security framework, and customer base. During these sessions, Directors interact with members of the Board as well as the senior management team of the Bank.
